

Center Lisle Congregational Church Fund Raiser: Maines Reward Program

The Center Lisle Congregational Church has a Rewards Program account with Maines Food and Party stores. This program is a means of fund raising for non profit organizations.

Individual purchases will count toward an accumulative total purchase for our church. That accumulated total must be at least \$500.00 in a six month time period in order for our church to receive a 5% check from Maines. There are two six month periods: January – June and July – December. Checks are written to the church biannually when the minimum is met. If \$500.00 is not accumulated in a specific time period there is no payment to the church. Each January and July we start with a zero balance. So the more people we have to help us build the accumulated total the better.

People do not have to be affiliated with our church other than willing to support us with this fundraising endeavor. Please ask friends, family and co-workers to participate. Just fill out a form, turn the form in to a church member and it will be taken to the Maines store. A card will be issued in your name that must be presented at the time of checkout for the church to get credit.

Please join the Maines Rewards Program. Your normal, every day shopping can help meet the church's expenses. A major project right now is to repair and maintain our beautiful stained glass windows. This is going to be a very costly undertaking and will have to take place in phases and span over several years most likely. Your participation in the Maines Reward Program will be greatly appreciated.
