The world is changing, fast paced and with a multitude of problems. But yet one thing is for sure GOD is in control. (He has our backs, that is for sure.)

In Matthew 11:28 & 29 Jesus calls to us to share our lives with HIM – every problem and every joy. Jesus wants to be part of it. Jesus can give us rest, all we have to do is come unto HIM. Jesus stands with out-stretched arms. Jesus said, "Come unto me and I will give you rest for your soul".

Board of Trustees

The Board of Trustees has open meetings the 2nd Sunday of the even months. Our most recent meeting was April 8th

We are in the process of getting estimates on replacement /repair of the front steps and handicap ramp. We are asking if it's possible to incorporate the handicap ramp with the front steps.

We are looking into possible solutions to the basement flooding. We will be contacting NYSDOT to see if the drainage grate in the front of the church might be part of the problem. Also the concrete pad on the side of the church might be affecting the drainage.

Our pancake breakfast was held on Feb. 17th and was well attended. -had a profit of \$500.00.

Thank you to all who contribute to our recycled cans/bottles. This is a positive fund raiser.

The next trustee meeting is June 10th 10:00 am. All are invited to attend.

A Note From Adeline Lynch
Spring is a time of new beginnings. It is the time when earth comes alive again. New growth springs from the soil, song birds return to nest and hibernation comes to an end.

Freedom to worship is one of our greatest freedoms, yet so few use that freedom. For those of us who are members, our goal each Sunday is to come together to enjoy each other's company and share our joys and concerns, to worship together and renew our faith. Yet many pews sit empty with only a shadow of who had been there. What keeps us away?

We are given choices and so to worship is a choice we make. Just as spring is a new beginning, come to worship service, get involved and chase those shadows in the pews away.

Love, Adeline
