

Pastor's Message

As I was doing my devotions this morning I came across this wonderful verse in Philippians 4:13. And I would like to share it with you. "For I can do everything that God asks me to do with the help of Christ who gives me the strength and power." {Philippians 4:13}

I want to reassure you that you are never alone! No matter how bad things get, GOD is there with you. You do not have to be afraid. In the Gospel of {Matthew 28:20} Jesus says; "I am with you always, even to the end of the world." If you have the opportunity, read how Jesus Calmed the Storm in The Gospel of {Mark 4:35-41}. Jesus can accomplish anything! Don't let the waves of life get you down "Trust in Jesus Chris". Jesus calmed the sea, imagine what HE could accomplish if you let HIM be a part of your life!

In God's matchless Love;
Pastor Bill.

Sunday School News

Children did a superb job on selling flower bulbs! We would like to thank all of those who gave support in this task by buying, encouraging and donating to our cause!

The children have been learning different parables in class while discussing and making preparations for a Halloween Party October 25th 3 – 5, open to the public. If interested in helping, we could use people to help with a craft (with story), a game table, handing out snacks, bobbing for doughnuts on a string and game time. Decorating will hopefully be done during Sunday school class a little at a time. Donations for snack time would be great also.

Joyce Henderson
Church Treasurer
2001-2013

Joyce was born May 3, 1951 in Johnson City. Center Lisle has been “home” her whole life. First on the family farm (Hunts Corners Rd.), then on the farm she shared with her husband and children (Caldwell Hill Rd.).

She has been involved in church activities throughout the years. She attended church at a young age (3-4), reciting pieces at Christmas Eve Services. One event in particular, “ I started to say a piece, looked out at the crowd and started to cry. My Dad recued me. Over the years I had wonderful teachers: Marilyn Dunham, Virginia Glezen, Howard Sprague.

In 1969 I married Wendell Henderson in our beautiful church after it was raised. Reverend David Van Slooten preformed the ceremony. Wendell and I supported the guild by working at the church booth under the grandstand during fair week. I was a member of the guild early in my marriage before life got so hectic. I taught Sunday school in the late 70’ and early 80’s. I helped with vacation bible school and Wendell provided hayrides. We were members of the 20 – 40 club. I attended a few Ladies Aid meetings by taking my neighbor and friend Norma Kenyon when she needed a ride.”

In 2001 Joyce was elected church treasurer. At the time she was working at the Binghamton Press and Wendell was her bank runner. Joyce’s record books were detailed entries of church income and expenses and a balanced summary statement provided at each annual meeting during her tenure.

The church treasurer position has been in Joyce’s family for 65 years. Her grandfather Lemam Quail 1948-1961, grandmother Dorothy Clute Quail 1962-1989, mother Maud Quail Tillotson 1990-2000 and Joyce Tillotson Henderson 2001-2013. Throughout this longevity ledgers were hand written and reports written out longhand. ~A family dedicated to church service.

Thank You for the Special Summer Music
