# Vintage Photo Dedication

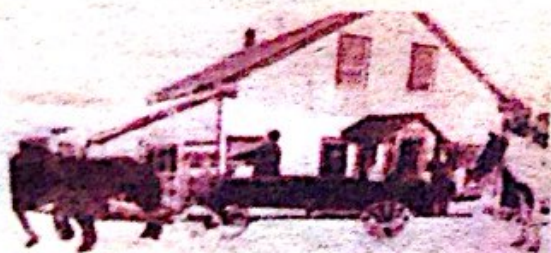

August 20, 2017

"A picture is worth a thousand words" so the saying goes and is so evident in our new display.

A very special thank you to Gordon and Eleanor Ticknor for the wonderful historical Center Lisle photos. They prepared copies from original photos and mounted the copies in lovely frames for a beautiful collection. The Ticknor's donated the collection to the church where it will be on display for everyone to enjoy.

**Pastor's Note**

When I think of Jesus Christ the first thing that comes to mind is: Giving  
 Jesus said: "It is more blessed to give than receive." Acts 20:35

Eleanor Ticknor shared the history of Center Lisle and our Church. She told of a people that poured their heart into their community and their families.  
 ~A story of Love, Heartache and Success.

If I may be so bold to ask: What will you leave behind for your life's story?
